Mr Eric Daniel

Mr Eric Daniel

is a specialist Colorectal Surgeon. Originally from Tasmania, he graduated from University of Tasmania in 2006 with First Class Honours and completed his training in General Surgery in Melbourne in 2013.

He subsequently entered four years of sub-specialist training to become a Colorectal Surgeon, a member of the Colorectal Surgical Society of Australia and New Zealand and a Fellow of the Royal Australasian College of Surgeons.

His sub-speciality interest includes robotic and laparoscopic surgery, diseases of the small and large bowel, colonoscopy, gastroscopy, proctology and hernia surgery.
