

Dr Georgina Baker

Dr Baker is a consulting Physician and procedural Gastroenterologist. She completed her advance training in Gastroenterology at Flinders Medical Centre and the South Australian Liver Transplant Unit. Georgina pursued further post fellowship training at St Vincent's Hospital in Melbourne from 2009 to 2012 in Translational Neurobiology and Addiction Medicine.

Georgina now practices full time in private Gastroenterology. She has developed an interest in functional bowel disorders and neurogastroenterology and immunological gastrointestinal problems. She performs procedural gastroenterology, gastroscopy and colonoscopy, in a day procedure and private hospital setting.

Georgina's special interests include functional bowel disorders and neurogastroenterology and immunological gastrointestinal problems.
