# Dr Ryma Terbah

## Dr Ryma Terbah

is consultant Gastroenterologist and Hepatologist. She obtained her Bachelor of Medicine and Bachelor of Surgery at the University of Melbourne, and completed her training in gastroenterology and hepatology in 2019 at Austin Health and Western Health, where she currently holds public appointments.

Ryma is interested in all areas of gastroenterology and endoscopy, with a particular interest in liver disease, general gastroenterology issues including iron deficiency and reflux disease, as well as performing endoscopic procedures (gastroscopy and colonoscopy).

Ryma is actively involved in research and is in the final stages of completing her PhD in chronic liver disease through the University of Melbourne and Austin Health
